Jose/Deano -- I spoke to Mr. Theriot about this and told him that you thought it would not be appropriate to meet with Mr. Bruza, since he was not meeting with the other group that submitted a proposal, until after a selection is made. I told him that the proposals would be evaluated and graded on Friday, and then the Council would make a selection at their 3/3 meeting. Mr. Theriot agreed with your recommendation.

I called Mr. Bruza and made him aware of Mr. Theriot's decision -- he was not, of course, happy -- but he said he understood -- therefore this meeting on
